### A world-famous diving destination

Columbus Isle is one of the best diving destinations in the Caribbean: the island is sure to fulfill everyone's expectations, from beginners to advanced divers. The scuba diving school offers training with qualified instructors, and provides complete equipment.

More than 20 diving spots are available, all within a boat ride of the resort. The underwater landscape is exceptional, featuring cliffs, canyons and coral reefs. As for the fauna, you are likely to see barracudas, groupers (including the famous Bahamian grouper), triggerfish, turtles, and hammerhead sharks.
